An event for practitioners working with school-aged children

**City of Bradford MDC**

[www.bradford.gov.uk](http://www.bradford.gov.uk)

This is the third Play Partnership Network Event, established to bring together practitioners whose work impacts on children and young people's opportunity to play and to access play provision. The aim of this event is for practitioners to share information affecting the playwork sector, to network and to share best practice and invites practitioners from a range of agencies and organisations. The day will include a range of practical workshops showcasing existing examples of play projects operating in a wide range of services. The event will allow opportunities for Networking, gaining new ideas and meeting practitioners from a range of projects.

## Showcasing Play Projects operating in a range of Services
