**The annual celebration of
children's right to play!**

On Playday and throughout summer 2009, children, young people and communities will get out and play at hundreds of locally organised events across the UK.

The theme for Playday 2009 is ***Make time!***

This Playday we're asking everyone to make time for play. From parents, carers and teachers, to policy makers and planners - everyone can make time to support children's right to play.

Let's make this year's Playday the biggest and best yet! For more information on Playday and how you can get involved:
